

# Air2Web Partner Pavilion

At Internet World Wireless West 2001 • December 4-6 • San Jose Convention Center • San Jose, CA

**Make Contact with Thousands of  
Wireless Internet Professionals**

The **Air2Web Partner Pavilion** will feature carriers and systems integrators who have partnered with **Air2Web** to provide secure, seamless wireless applications and delivery to Fortune 2000 companies. This special section, prominently located on the exhibit floor, will be a magnet for the enterprise-level buyers who will attend **Internet World Wireless West**.

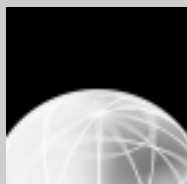

**44%** of **Internet World Wireless** attendees are executive/senior level managers

**50%** of **Internet World Wireless** attendees plan to spend \$500,000 or more within 12 months of visiting the show

## **Exhibiting is Easy and Cost-Effective**

The **Air2web Partner Pavilion** will be strategically located in a highly visible section of the **Internet World Wireless** exhibit floor. Each turnkey exhibit package features a specially designed demo-station, which includes Internet access and is fully equipped for live demonstrations.
